DEFENSES

23. Applicant affirmatively alleges that as a result of its continuous substantial usage of its mark EDATAFORCE since adoption, this mark is a valuable asset of Applicant and carries considerable goodwill and consumer acceptance of its products sold under the mark. Such goodwill and widespread usage has made the mark distinctive to the Applicant.

24. Applicant further affirmatively alleges that there is no likelihood of confusion, mistake or

deception because, *inter alia*, Applicant's mark and the pleaded marks of Opposer are not confusingly similar. Any similarity, if at all, between Applicant's mark and the pleaded marks of Opposer is in the portion "FORCE" which, upon information and belief, has been used and registered by numerous third parties in the computer, software development businesses [*See Exhibit A*]. In addition, FORCE is a descriptive wording and the text format is common in its use. As a result, Opposer cannot base any similarity between its pleaded marks and the mark of Applicant of the "FORCE." Any trademark or service mark rights that Opposer may have are narrowly circumscribed to the goods or services indicated and any other use would not lead to a likelihood of confusion.

WHEREFORE, Applicant requests that the Petition of Cancellation be dismissed.

Respectfully submitted,
